ACIMIT — Italian Textile Machinery: The Upcoming Colombiatex 2025 Speaks Italian

MILAN - There will be 23 Italian textile machinery manufacturers participating at the upcoming Colombiatex, the main Colombian textile fair, which will take place in Medellín from January 28 to 30, 2025, once again confirming the strong connection between local textile companies and Italian suppliers of textile technology.

Despite a decrease in demand for textile machinery from the Colombian textile sector during the first nine months of 2024, the Country remains one of the main markets in the area for textile machinery manufacturers.
